The book fully describes a method by which to attain full vigor and manly power.
A method by which to end all unnatural frains on the system.

To cure nervousness, lack of self-control, despondency, &c. To exchange a jaded and worn nature for one of brightness, baoyancy and power.

To cure forever effects of excesses, overwork.

Surely he would sing the words pisinly. But no, the rendition was as before—"dorkie bird."

A despairing man, who had applied to use soon after wrote:

"Well, I tell you that first day is one III never forget. I just bubbled with Joy. I wanted to hug everybody and tell them my did self had died yesterday, and my new self was born to-day. Why didn't you tell me when I first wrote that I would find it this way?" And another thus:

And another thus:

"If you dumped a cart load of gold at my feet it would not bring such gladness into my life as your method has done."

Write to the ERIE MEDICAL COMPANY, Buffalo, N. Y., and ask for the little book called "COMPLETE MANHOOD." Refer to this paper, and the company promises to send the book, in scaled envelope, without any marks, and entirely free, until it is well introduced.
